

# HOCHUL FUNDED THE BRIDGE. FUND ROUTE F FOR FISHKILL.

## Route F doesn't reach the train station.

It doesn't run on Sundays. The first bus arrives after 8 trains have left.

**22,000+**

Fishkill residents  
need better transit

**7%**

of Dutchess households  
have no car

**1,000%**

ridership increase  
when Loop went free

## WE'RE ASKING DUTCHESS COUNTY TO:

**EXTEND ROUTE F**  
to Beacon station

**START EARLIER**  
so commuters catch the train

**RUN ON SUNDAYS**  
for work, church & family

**ELIMINATE FARES**  
like the bridge shuttle in 2026

*"By linking our communities through public transit, we're expanding access to jobs...and ensuring residents can move easily and affordably."*
